

Renewing personal commitment

Nehemiah 10:1-39

As we consider God's grace and our failure, renewing personal commitment to God

1. In the totality of what he commands (1-29)

1 John 3:23

2. In the specific areas of our weakness (30-39)

- guarding each other from pagan culture (30)
- resting in Christ through keeping work where it belongs (31a)
- remembering the needy (31b)
- celebrating God's ownership of all we have (35-35)
- not neglecting the work and worship of God (32-34, 37-39)
