# Listen to God!

## Isaiah 48

Listen:

- to why the glory of God won't allow our failures to stop his plan to love us (1-11)
- to how the greatness of God guarantees the success of his plan to love us (12-16)
- to the longing of God that we should not miss out on his love for us (17-19)
- to the call of God to make whatever move it takes for us to experience his love for us (20-22)
