

# Awakenings: divine and human

## Isaiah 51–52:12

### **1. God wants to tell us about his worldwide perfection plans (51:1–16)**

**so....**

- we pray for *him* to 'wake up' and work as he has previously (9–11)
- we let his greatness overcome our fear of people (12–16)

### **2. God wants to wake us up to our part in his worldwide perfection plans (51:17–52:6)**

- to wake up to our security in Christ (51:17–23)
- to wake up to all what we can be in Christ (52:1–6)
- to bring joy to others by telling them that Christ is real (52:7–10)

**Finale: a command and a promise (11–12) – the protecting presence of God as we make the necessary next move to play our part in his worldwide perfection plans**
