

Morning Sermon, Sunday 6 January 2019, Julian Hardyman

God's new thing

Isaiah 43:14-21

Don't miss God's new thing in your life!

- Don't look back at God's old work in the Past (16-17) ...
- ... in such a way that you fail to see (18) ...
- ... God's new work in the future (19-21, 14-15)

The following pages contain adapted copies of the slides to which Julian refers in the course of his sermon.

Munroe Canal North Poudre Colorado

The water comes from the Deschutes River—or, more specifically, from Wickiup Reservoir, constructed in 1949 to provide water for the North Irrigation District and farmers in Jefferson County.
